

Personal Statement

Important

As part of the Allied Health Assistance program, you will undertake a clinical experience placement in a client care environment. The following information outlines examples of the fundamental tasks you will be expected to carry out during clinical experience placement and on-campus learning activities.

These examples are provided for your information only and are not entry requirements. However, understanding the Inherent Requirements prior to completing your application for this program is crucial.

Please review the Inherent Requirements [here](#).
